Dear Chairwoman Granger and Ranking Member DeLauro:

I respectfully request funding for the Village of Warwick Water Infrastructure Upgrades. The entity to receive funding for this project is the Village of Warwick, located at 77 Main Street, Warwick, NY 10990. The project will allow the Village to meet mandated Drinking Water standards by providing an additional clean source of drinking water for Village residents. These improvements to the water system are necessary to continue to provide a safe and potable water system for the District. This project is a valuable use of taxpayer dollars because it will help the Village of Warwick maintain Clean Drinking Water standards.

The project has a federal nexus because the funding provided is for purposes authorized by the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Patrick K. Ryan  
Member of Congress
